MEMORANDUM TO: [REDACTED] 25X1  
Assistant to the DCI

SUBJECT: [REDACTED]

Yesterday I talked to [REDACTED] by telephone. 25X1  
He said negotiations are progressing satisfactorily on the business  
matter which he previously mentioned to us. If he participates in  
that venture he will not be available for full-time service with the  
Agency. I told him we have nothing definite for him at the moment,  
but are on the lookout. We agreed to get together the next time we  
are both in New York or Washington.
